Table

by nikkiandchris.io

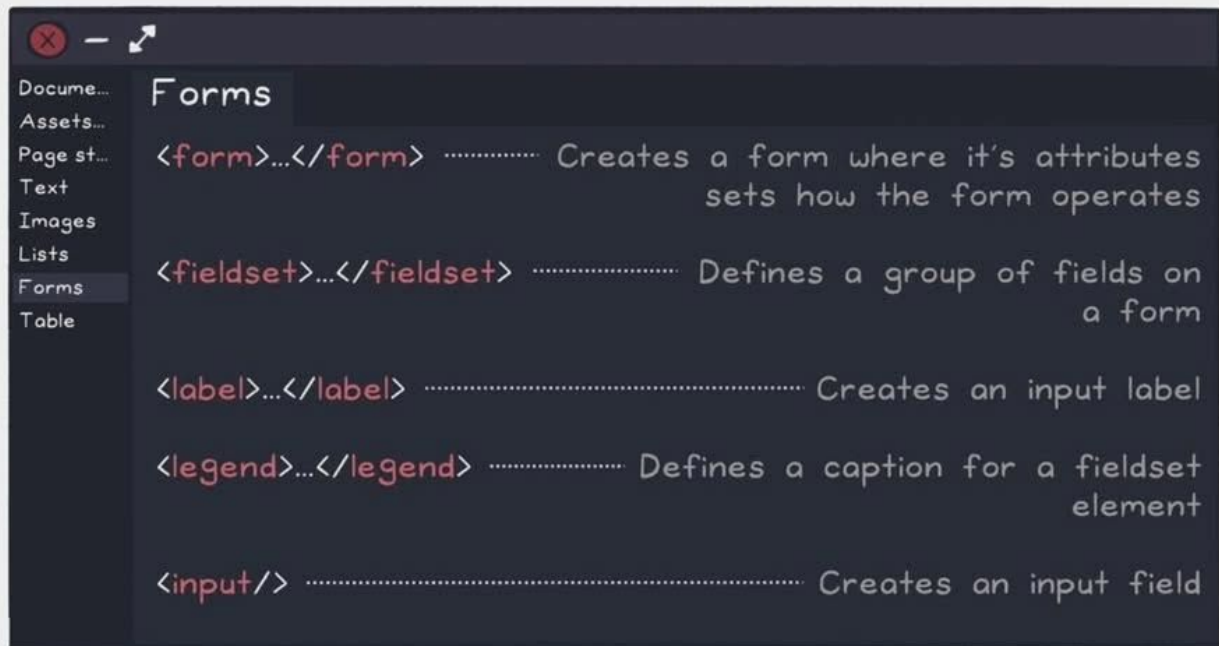

The image shows a screenshot of a code editor with a dark theme. On the left is a sidebar with a file explorer and a list of components: Document, Assets, Page styles, Text, Images, Lists, Forms, and Table (which is selected). The main area of the editor is titled 'Table' and contains a list of HTML tags with their descriptions, separated by dotted lines. The tags are: <table>...</table>, <caption>...</caption>, <thead>...</thead>, <tbody>...</tbody>, <tfoot>...</tfoot>, <tr>...</tr>, <th>...</th>, and <td>...</td>.

Docume...	Table
Assets...	
Page st...	<table>...</table> A container tag that creates a form
Text	
Images	
Lists	<caption>...</caption> Creates description text for the table
Forms	
Table	
	<thead>...</thead> Adds table/column headers
	<tbody>...</tbody> Groups the body content for a table
	<tfoot>...</tfoot> Adds a footer to a table
	<tr>...</tr> Creates a single row of content/data
	<th>...</th> Creates a single header item
	<td>...</td> Creates a single table cell

Forms
